

Saint Paul College
Graduate Employment Highlights FY2008
07/01/07 through 06/30/08

These employment statistics are presented as a tool to be used as factual data for students, parents, school and agency personnel and employers. The data has been compiled from surveys of graduates, employers, program instructors and/or State Job service staff. It does reflect the past experiences of graduates from specific programs and should not be used to predict future employment trends.

	A	B	C	D	1	2	3	4	5	6	7	8
	Number of Graduates	Grads Available for Related Placement	Employment Related to Program	Percent Placed *	Related Work Full-Time	Related Work Part-time	Unrelated Work Seeking Related	Unrelated Work Not Seeking Related	Continuing Education	Available for Work but Unemployed	Unavailable for Work	Status Unknown
ASSOCIATE IN ARTS DEGREE This program is a transfer degree designed to prepare students for further education and not necessarily for employment.	47	8	5	62.5%	4	1	2	4	29	1	2	4

Explanation of Column Information

Column A: Number of graduates during 07/01/2007 through 06/30/2008.

Column B: Total available for related work.

Column C: Total graduates with related work (full and part-time).
Employed Related: Represents the known number accepting employment in occupations related to their program; this initial related employment could occur between their date of graduation up to July of the year when data is compiled.

Column D: Percentage placed after graduation in related occupation.

Column 1 – 8: Detail status of total graduates.

Column 8: Graduate's status is unknown. Minnesota State Colleges and Universities guideline permits 15% status unknown. These graduates could not be reached through follow-up process or left out important data.

Data compiled 09/14/2009 and audited by Minnesota State Colleges and Universities.

DISCLAIMER: The employment data reflects the past experiences of graduates from specific programs. It should not be used to predict future employment trends nor obtaining training-related employment. The accuracy of this data has been verified through the Minnesota State Colleges and Universities. Data compiled 09/14/2009.
