
Practical Nursing DIPLOMA

Program Overview
Under the supervision of registered nurses and physicians, licensed practical nurses provide bedside care, monitor patients, gather information, evaluate patient needs and contribute to the patient’s care. Licensed practical nurses administer medications and perform treatments. Licensed practical nurses utilize observation, critical thinking, decision-making and communication skills in caring for patients.

The Practical Nursing Diploma is designed to meet the requirements to become licensed as a Practical Nurse.

Career Opportunities
Employment of LPN's is expected to increase faster than the average for all occupations. The best opportunities will occur in nursing care facilities and home health care services. This is in response to the long-term care needs of an increasing elderly population.

Graduates may be employed in long-term care centers, clinics, home care agencies, hospice, hospitals and transitional care units. Upon completion of the program, the graduate will be prepared to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN).

Licensing or certification exams are independent of graduation requirements.

Program Outcomes
1. The graduate will participate in the nursing process of assessment, planning, implementation and evaluation to provide basic safe and effective nursing care to patients.
2. The graduate will communicate effectively with patients, families, significant others and health care personnel.
3. The graduate will meet the student learning outcomes of the Nursing program.
4. The graduate will be prepared to take the NCLEX-PN licensure exam.
5. The graduate will be prepared for job placement in nursing care.

Part-time/Full-time Options
Part-time and full-time options are available. PRNS theory courses are scheduled days. Clinical experiences may be scheduled both days and evenings due to clinical site availability. Costs differ depending on part-time or full-time enrollment.

Application Process
Prior to submitting the Application to Practical Nursing Major form, an applicant must:
1. Complete the ACCUPLACER assessment and meet Minimum Program Entry Requirements (see below box).
2. Complete all pre-requisites prior to PRNS courses (listed on the back of this guide) The overall cumulative GPA of 2.8 or better in college level courses 1000 and above with a minimum of “C” in each of the above four courses.
3. Attend a Practical Nursing Seminar. An overview of the program is presented that includes: expectations, schedule of classes/clinical, and requirements for admission. Attendance is mandatory and useful in providing answers to common questions. Nursing faculty advisors are assigned after the PN seminar.

NOTE: To register for a PN seminar, go to the Practical Nursing program web site and click on PN Seminar. Dates/times will be listed for your selection.
4. Complete the Test of Essential Academic Skills (TEAS V). A ticket is provided at the PN Seminar for accessing the TEAS test. Detailed information will be given at the PN seminar (i.e., when/where it is taken, acceptable results, etc.)
5. Submit a record of the required immunizations prior to the semester in which the student registers for clinical courses.

The nursing admissions committee will review each application and determine admission on the basis of overall academic performance, including all previous college course work, GPA, ACCUPLACER assessment scores and Test of Essential Academic Skills (TEAS V) scores. Notification of acceptance into the Practical Nursing major will be sent approximately 2-3 weeks after the admissions committee has met.

Required CPR course
Students are required to successfully complete a cardiopulmonary resuscitation (CPR) course prior to registering for PRNS 1482 Clinical 2. The CPR course, while required, is not part of the actual program curriculum so students may take the CPR course off-campus or enroll in HLTH 1432 CPR for the Professional Rescuer and Healthcare Provider.

Minimum Program Entry Requirements
Students entering this program must meet the following minimum program entry requirements:
Reading: Score of 78+ or grade of “C” or better in READ 0722
Writing: Score of 78+ on Reading Comprehension or grade of “C” or better in ENGL 0922
Arithmetic: Score of 31+

Assessment Results and Prerequisites:
Students admitted into Saint Paul College programs may need to complete additional courses based on ACCUPLACER assessment results and course prerequisite requirements. Certain MATH, READ, and ENGL courses have additional prerequisites.
**Program Requirements**

All classes must be successfully completed with a grade of “C” or better.

**Preliminary courses and requirements:**
The following four (4) courses, required Practical Nursing Seminar and TEAS Test, must be completed prior to submitting your Application to Practical Nursing Major form.

- Check off when completed
- HLTH 1410 Medical Terminology ...................................... 1
- BIOL 1730 Human Body Systems ...................................... 3
- ENGL 1711 Composition 1 (Fulfills Gen. Ed. Requirement - Goal 1) .................. 4
- PSYC 1720 Psychology throughout the Lifespan .................. 3
  (Fulfills Gen. Ed. Requirement – Goal 5)
- SEMINAR: Attend required Practical Nursing Seminar to receive ticket to take Test of Essential Academic Skills (TEAS)
- TEAS Test: Complete Test of Essential Academic Skills (TEAS)

**Health Core Credits** .......................................................... 1

**General Education Requirements** ......................................... 10

**PRNS Core Courses** .......................................................... Cr
- PRNS 1425 Essentials of Clinical Pharmacology .......................... 2
- PRNS 2410 Psycho/Social Nursing ......................................... 2
- PRNS 1435 Foundations of Nursing ....................................... 4
- PRNS 1521 Nursing Care of Adults 1 ..................................... 4
- PRNS 1481 Clinical 1 ......................................................... 3
- Evidence of current CPR certification must be presented prior to taking PRNS 1482 Clinical 2.
- PRNS 1482 Clinical 2 ......................................................... 3
- PRNS 1483 Clinical 3 ......................................................... 3
- PRNS 1524 Nursing Care of Adults 2 .................................... 3
- PRNS 1530 Maternal Child Health ....................................... 3
- PRNS 2491 Transition to Practice ....................................... 2
- PRNS Core Credits .................................................................. 15
- Health Core Credits ............................................................ 1
- General Education Requirements ........................................... 10

**Total Program Credits** ......................................................... 40

**Program Start Dates**
Fall, Spring

**Course Sequence**
The following sequence is recommended; however, this sequence is not required.

**First Semester**
- HLTH 1410 Medical Terminology ........................................ 1
- BIOL 1730 Human Body Systems ........................................ 3
- ENGL 1711 Composition 1 (Fulfills Gen. Ed. Requirement - Goal 1) .................. 4
- PSYC 1720 Psychology throughout the Lifespan .................. 3
  (Fulfills Gen. Ed. Requirement – Goal 5)
- SEMINAR: Attend required Practical Nursing Seminar to receive ticket to take Test of Essential Academic Skills (TEAS)
- TEAS Test: Complete Test of Essential Academic Skills (TEAS)
- Pre-Nursing Credits ............................................................. 11

**Second Semester**
- PRNS 1425 Essentials of Clinical Pharmacology .......................... 2
- PRNS 1435 Foundations of Nursing ....................................... 4
- PRNS 1481 Clinical 1 ......................................................... 3
- PRNS 1521 Nursing Care of Adults 1 .................................... 4
- PRNS 2410 Psycho/Social Nursing ......................................... 2
- Evidence of current CPR certification must be presented prior to taking PRNS 1482 Clinical 2.
- PRNS Core Credits .................................................................. 15

**Third Semester**
- PRNS 1482 Clinical 2 ......................................................... 3
- PRNS 1483 Clinical 3 ......................................................... 3
- PRNS 1524 Nursing Care of Adults 2 .................................... 3
- PRNS 1530 Maternal/Child Health ....................................... 3
- PRNS 2491 Transition to Practice ....................................... 2
- PRNS Core Credits ............................................................... 14

**Total Program Credits** ......................................................... 40
