SAINT PAUL COLLEGE

A Community & Technical College

MINNESOTA STATE

Saint Paul College,

A member of Minnesota State

Dear Saint Paul College Class of 2020,

On behalf of everyone at Saint Paul College, congratulations on your graduation! This is a tremendous occasion for you to celebrate with those friends and family members who have supported you through this journey. While that support helps, it is your hard work and persistence that allowed you to fulfill your goals.

Though we are unable to celebrate together in-person, I hope you and those closest to you will find ways to commemorate this important occasion safely. We also hope that you take the opportunity to participate in the virtual ceremony. The members of the Student Senate and Student Life staff have worked diligently to develop a meaningful ceremony.

As we have been committed to you as a student, we now commit to you as a graduate and alumnus of Saint Paul College. Moving forward, we will continue to celebrate your achievements educationally, professionally, and personally. Please stay in touch with the instructors, staff and others at the College who have helped and supported you in reaching this milestone today. Please also consider staying connected through our alumni relations and scholarship fundraising efforts through the Friends of Saint Paul College Foundation. We sincerely hope that you will continue your relationship with us.

At this moment, it is important to reflect on our roles in our larger community. The values we share are greater than what divides us. Hold fast to all that you have learned while attending Saint Paul College and find ways to use your education to continue helping the community.

Saint Paul College has provided not just access to an affordable, high-quality college education, but a platform for you to pursue further education, a career and personal success. In these ways, together, we can daily live our commitment to "start here. go anywhere."

With gratitude and best wishes for your future,
