

# Summer Scholars Academy Program

Saint Paul College is hosting the Summer Scholars Program during the Summer Term that is designed to provide eligible students with an opportunity to advance to higher levels of reading, writing, and math indicated by assessment results, High School GPA, or ACT, SAT, MCA, etc.

- Advisors assist students in selecting the appropriate course based on multiple measures of academic placement.
- Students will complete their course(s), learning key skills and strategies during the session. After completion, students will complete a post assessment.
- Based on their assessments, the work and effort demonstrated in the course, and faculty feedback, students are placed into the next appropriate course.

## Summer Scholars Academy

Advisors provide eligible students with access to register for the courses.

**Summer Scholars Academy –READING**  
Level 2 Reading M/W 10:00 – 11:55am  
July 11 – August 3, 2022 - Celeste Mazur

**Summer Scholars Academy –WRITING**  
Level 2 Writing T/H 10:00 – 11:55am  
July 12 – August 4, 2022 – Michael Courteau

**Summer Scholars Academy –MATH**  
Level 2 Math M/W 1:00 – 2:55pm  
July 11 – August 3, 2022 – Ba Su

### Eligibility

Level 2 pre-college

**Reading/Writing  
ACCUPLACER**

Score of 60-77 or

NGA of 240-249

In-House assessment

or provide ACT/SAT scores  
within the past 5 years

**Math ACCUPLACER**

Arithmetic Score of

76-120 or

NGA Arithmetic of

250-269

MyMathLab  
assessment

NGA Quantitative

Reasoning of 215-249

or provide ACT/SAT  
scores within the past  
5 years

## Advisors provide eligible students with access to register for Summer Scholars Academy courses:

### Summer Scholars Academy -READING

In this 16-hour mini-course, you will learn, refresh and practice skills required to be a successful college student. You will improve your reading comprehension by learning and practicing active reading strategies, academic vocabulary, and test taking skills. At the end of the course, you will complete a post assessment, which, combined with instructor recommendation, will determine your fall reading placement.

July 11 – August 3, 2022 Delivery In-Person

### Summer Scholars Academy -Writing

This 16-hour mini-course will help students prepare to participate successfully in writing courses at Saint Paul College. Participants will review and practice a range of writing skills, including structuring sentences and paragraphs effectively, demonstrating appropriate audience awareness, and using a professional tone. In addition, students will learn to use writing as a tool for both improving study skills and responding to assigned readings. At the end of the course, participants will complete a post assessment, which, along with the instructor's recommendations, will determine their Fall Semester writing course placements.

July 12 – August 4, 2022 Delivery In-Person

### Summer Scholars Academy -MATH

This 16-hour summer class will help students prepare to participate successfully in College-level courses at Saint Paul College. Participants will review and practice a range of mathematical skills, including manipulating and factoring algebraic expressions, graphing linear equations, solving equations involving first and second degree polynomials as well as rational and radical expressions, and understanding the properties of a function. In addition, students will learn study strategies, computer skills, and identify academic resources at the College. At the end of the course, participants will complete a post assessment, which, along with the instructor's recommendations, will determine their Fall Semester math course placements.

July 11 – August 3, 2022 Delivery In-Person
