We love being part of the St. Paul Community.

St. Paul is a diverse city with something for everyone. Our city is growing, with jobs in technology, finance, healthcare, and more. Residents of Saint Paul speak more than 100 languages, including Somali, Hmong, and Spanish. Our campus is easy-to-reach with plenty of parking and accessible by bus and light rail, as well as car and ride shares. We have all the benefits of a big city, while providing a safe campus learning environment.
A Saint Paul College education is a great value.

Everyone wants to help you succeed. You have a team on your side, and they are all cheering for you to win. Elle [Entrepreneurship Student]
