ACADEMIC SUPPORT CENTERS
The Tutoring Center (3125) and Study Center (3220) offer a variety of tutoring services and learning resources to support students' academic success. Students can work with both professional tutors and peer tutors who can help them understand their coursework and develop study skills in order to achieve their academic goals.

ACCESS & DISABILITY RESOURCES
Saint Paul College values diversity in our college community and is committed to ensuring equal access and opportunity to all qualified students with physical, learning, or psychological disabilities. Students with disabilities seeking services are required to submit appropriate documentation of their disability and meet with the Director of Access & Disability Resources (room 1405). This office provides accommodations for a variety of disabilities. Accommodations are determined on a case-by-case basis and are not retroactive.

ASSESSMENT
Assessment of basic skills in math, reading and writing is required if you are seeking a degree, diploma or certificate in a major program. This requirement may be waived if you’ve previously completed college level English or math with a minimum grade of “C”. Some programs also require completion of additional Assessments. Assessments are available on a walk-in basis. No appointment is necessary. It takes approximately 2½ hours to complete these un-timed assessments. Assessments are not available during holidays and when the College is closed. Please check in at the One Stop in Room 1300.

BOOKSTORE
Textbooks are ordered online and are shipped to your home within 1-2 business days. Books can be shipped to the Campus Store and picked up if selected. School and personal supplies are available in the Campus Store located on the first floor near the main entrance in Room 1210. Please check the College Website and campus postings or call 651.846.1422 for Campus Store hours.

CARE TEAM
The Saint Paul College Care Team's Mission is to maintain a safe, healthy, welcoming campus learning community through proactive, systematic, and coordinated support services. Our team works collaboratively with faculty, staff, and students to:

- Refer students to resources and supports.
- Assist faculty and staff confronting difficult situations.
- Prevent small concerns from becoming larger problems.

PATHWAY ADVISING
Pathway Advisors in Room 1340 help students create and achieve their academic goals. We work one-on-one with students to make a customized success plan to fit individual needs. If you are seeking help with registration, need assistance with time management, or have concerns about being a successful college student you are encouraged to meet with an Pathway Advisor. Plan on meeting with a Pathway Advisor before making major academic decisions, like withdrawing from a course or changing majors, and when needing academic guidance. Pathway Advisors can also help you discover how to overcome barriers to your success by completing an academic performance assessment.
