

The Minnesota Transfer Curriculum (MnTC) is the general education curriculum for the Minnesota State Colleges and Universities system. For **Associate of Arts (AA)**, **Associate of Fine Arts (AFA)**, **Associate of Science (AS)** or **Associate of Applied Science (AAS)** programs, refer to your major Program Requirement Guide for the distribution requirements of general education/Minnesota Transfer Curriculum (MnTC) courses required to complete your program, and choose the appropriate MnTC courses in the goal areas according to your program. MnTC courses with grades of A-D transfer; however, a cumulative MnTC GPA of 2.0 is required. *Some programs require all courses to have a grade of C or higher to fulfill requirements.* The following ten goals list the current MnTC courses offered by Saint Paul College.

The courses with superscripts (e.g. COMM 1750<sup>9</sup>) meet more than one goal, but credits are counted only once toward completion of a program. The (p) indicates that a prerequisite is required before the course can be taken. An asterisk (\*) course contains lab. ☑ Check off courses you have completed.

## MnTC Goal 1: Communication Credits
