Program Requirements Guide 2019 - 2020

Associate of Arts DEGREE
History Transfer Pathway

Program Overview
The History Transfer Pathway provides students with the opportunity to study the narrative of past events as they relate to the human race. They use this knowledge to discuss, write, and educate others regarding the interpretation of the past.

Career Opportunities
Students who successfully complete the History Transfer Pathway will be prepared to transfer to a baccalaureate program in History. With a degree in History you can work in a number of fields within the government and education systems such as special collections librarians, archivists, museum work, and faculty at secondary and post-secondary institutions. A History degree is also useful preparation for careers in policy studies or the practice of law.

Program Outcomes
1. Students will demonstrate a broad understanding of U.S. history and at least one period of world history.
2. Students will make use of historical thinking.
3. Students will analyze historical sources, distinguishing primary from secondary sources.
4. Students will communicate effectively using historical evidence and methods.
5. Students will analyze and understand the diversity of peoples within their distinctive historical contexts.

Transfer Opportunities
Saint Paul College has a transfer articulation agreement between the following program and post-secondary institution for the baccalaureate degree program listed below.
