Program Requirements Guide 2021-2022

Associate of Arts Degree
Political Science Transfer Pathway

Program Overview
The Associate of Arts Degree - Political Science Transfer Pathway provides students with the opportunity to learn both the political science-based interpretation of public policy as well as the integration of other disciplines and fields that directly contribute to the management of public interest.

Career Opportunities
Students who successfully complete the Associate of Arts Degree – Political Science Transfer Pathway will be prepared to transfer to a baccalaureate program in Social Science or Political Science. With a degree in political science you can work in a number of fields within the Government and Public Administration system such as compliance officers, operations managers, political scientists, and public relations specialists.

Program Outcomes
1. Students will describe the methods and concepts used in the field of political science.
2. Students will describe political institutions, theories, and processes.
3. Students will critically analyze political issues.
4. Students will reflect on their own moral and political values.

Transfer Opportunities
Saint Paul College has a transfer articulation agreement between the following program and post-secondary institution for the baccalaureate degree program listed below.
