Program Requirements Guide 2021-2022

Associate of Arts DEGREE
Psychology Transfer Pathway

Program Overview
The Psychology Transfer Pathway focuses on the scientific study of individual and collective behavior, the physical and environmental bases of behavior, and the analysis and treatment of behavior problems and disorders. It includes instruction in the principles of the various subfields of psychology, research methods, and psychological assessment and testing methods.

Career Opportunities
Students who successfully complete the Psychology Transfer Pathway AA Degree will be prepared to transfer to a baccalaureate program in Psychology. With a degree in Psychology you can work in a number of fields within the government, health, and education systems.

Program Outcomes
1. Compare and contrast theoretical perspectives in the field of psychology.
2. Apply psychological concepts to real world situations.
3. Describe the role of ethics and social responsibility in the field of psychology.
4. Use critical thinking and the scientific method to investigate psychological issues.
5. Communicate psychological principles, key concepts, and overarching themes.

Transfer Opportunities
Saint Paul College has a transfer articulation agreement between the following program and post-secondary institution for the baccalaureate degree program listed below. For more information please go to saintpaul.edu/Transfer.
