# EAPP Course Sequence Guide 2020 - 2021

## English for Academic Purposes (EAP)

### Overview
The English for Academic Purposes (EAP) Program is designed to help English learners enter and succeed in the community and technical college system as well as in the transfer curriculum.

EAPP courses focus on speaking and listening, reading and vocabulary, writing and grammar, and pronunciation.

Depending on their intended major, students completing the EAPP courses may begin one of the career and technical programs or enroll in general education courses.

Students interested in enrolling in the EAPP courses must take the ESL ACCUPLACER test. This test assesses reading, listening and grammar ability.

### Outcomes
1. Apply the rules of English grammar and pronunciation to college communication.
2. Read college level texts.
3. Comprehend college level lectures.

### Application Process

#### Step 1: Apply for Admission
Fill out and submit the online Saint Paul College application at saintpaul.edu/apply or stop by One Stop Room 1300 where computers are available for submitting an application online to be admitted to the College.

#### Step 2: Take the ESL ACCUPLACER
The ESL ACCUPLACER is a computerized test that covers reading, writing and listening. The test takes about 2 hours to finish, but students may take as much time as needed. An appointment is not needed to take this test. Students must check in at the One Stop (Room 1300) and will then go to the location where the test is administered. When they finish with all parts of the test, students must take their test scores to One Stop.

#### Step 3: Attend Orientation / Registration Session
Students receive an email from Saint Paul College about which Orientation Session to attend. At Orientation, students learn more about the College, register for classes and also meet with EAP Program instructors.

### Program Start Dates
- Fall, Spring

### Course Sequence

#### First Semester
- **EAPP 0760 High Intermediate**
- **Reading and Vocabulary**
- Course **Cr**

#### Second Semester
