Program Overview
Advanced Practice (AP) Esthetics AAS degree includes the complete basic esthetics certification program, the complete AP esthetics certificate program, and the general education requirements required for completion of a two-year AAS degree. AP Esthetics service include specialized training and clinical practice in four AP esthetics categories: chemical exfoliation of the skin, exfoliation of the skin using a machine or device, advanced skin care techniques, and skin needling.

The Advanced Practice Esthetics AAS Degree is designed to be the next level of training for the esthetician or cosmetologist that wishes to specialize in the aforementioned categories including advanced understanding of skin anatomy and physiology, skin history, skin care products and ingredients, pre and post treatment regiments, client consultation including skin analysis and skin typing, and risk management. Students learn to perform chemical peels, microdermabrasion, dermaplaning, skin needling, and facials utilizing machines, electrical devices and lymphatic drainage.

Career Opportunities
After AP Esthetics students complete all theory, practical training and state testing as defined in Rule by the State of Minnesota and the Minnesota Board of Cosmetology, they are eligible for licensure through the Minnesota Board of Cosmetology. AP estheticians work in a variety of settings including salons, spas, fitness centers, medi-spa’s, and skin clinics. AP estheticians may also have their own Advanced Practice Esthetics business.

Final licensing and/or state testing are independent of graduation requirements.

Program Outcomes
1. Graduates will be prepared to take the basic and AP esthetics practical skills test.
2. Graduates will be prepared to take the Minnesota State basic and AP esthetics written practical, theory, and state law test administered through the State designated testing service (access information at http://mn.gov/boards/cosmetology/).
3. Graduates will have advanced knowledge and skills in AP esthetician services.
4. Graduates will possess advanced knowledge and skills for personal care of the skin.
5. Graduates will have advanced knowledge and skills in products and ingredients.
