Esthetician Certificate

Program Overview
Esthetician services include specialized work with skin care products, analysis of skin, skin exfoliation, massage techniques, and facials. Students learn to tint brows and lashes, apply makeup, provide temporary hair removal, and use a steamer and mag-lights.

Career Opportunities
After esthetician students complete 600 hours of skills and theory training and pass the written exam through the State designated testing service and skills certification, they are eligible for licensure through the Minnesota Board of Cosmetologist Examiners. Estheticians work in a variety of settings including salons, spas, and fitness centers.

Licensing or certification exams are independent of graduation requirements.

Program Outcomes
1. Graduates will perform skin care services.
2. Graduates will recommend skin care products to clients.
3. Graduates will perform brow & lash tinting, lash extensions, waxing, and body treatments.
4. Graduates will demonstrate the skills necessary for the practical skills test.
