

Healthcare Administration AS DEGREE

Program Overview

The healthcare administration program is an interdisciplinary program that incorporates business and health information management education and practices designed to create a comprehensive healthcare leader. Learners will participate in focused instruction within management, health information management, legal and ethical aspects, statistics, and technology; which will afford employment opportunities in various healthcare leadership capacities.

Students will acquire knowledge and skills in communicative strategy, critical thinking, transformative management, and collaborative team-building propensities throughout various course(s) within the healthcare administration program.

Candidates considering this field should prepare for high-level decision-making, comprehensive analysis, complex communications, and the ability to lead and manage others.

Career Opportunities

Healthcare administrators and leaders enjoy salaries in the top bracket of healthcare professionals. Graduates may anticipate supervisory and management roles. **Graduates of this program may choose to continue their education at a four-year institution in Healthcare Administration or a related field.

The healthcare administrator or leader may work in a physician's office, surgery center, specialty clinic, hospital, insurance company, government agency, community health setting, research foundation, long-term care facility, dental office, consulting firm, rehabilitation center or other health care facility.

According to the Bureau of Labor Statistics, Medical and Health Services Managers are anticipated to increase by +/- 32% between 2019 to 2029 (www.bls.gov).

*Information is subject to change.
This Program Requirements Guide is not a contract.*

Minimum Program Entry Requirements

Students entering this program must meet the following minimum program entry requirements:

Reading: Score of 250+ or grade of "C" or better in READ 0722 or READ 0724 or EAPP 0900

Writing: Score of 250+ or grade of "C" or better in ENGL 0922 or EAPP 0900

Quant. Reasoning, Algebra & Stats: Score of 270+ or **Adv. Algebra & Functions:** Score of 250+ or grade of "C" or better in MATH 0920
