

Nail Care and Eyelash Extensions Technician CERTIFICATE

Program Overview

Nail Technician services include the cleaning, shaping, conditioning and care for the fingers, hands, toes and feet as well as the preparation and application of artificial nails.

Eyelash extensions will cover theoretical instruction and the practical application of eyelash extensions.

Physical requirements include finger dexterity, negative allergic reaction to cosmetic preparations, and artistic flair for creative design. The nail technician should enjoy working with the public and in a team atmosphere. People skills and time management skills are essential.

Licensing or certification exams are independent of graduation requirements.

Career Opportunities

The job outlook is very good for nail technicians. Increasing population, incomes, and demand for cosmetology services will stimulate job growth. In addition, numerous job openings will stem from rapid turnover in salons and the large size of the occupation. The rapid growth of nail salons and full service spas will generate numerous job openings for nail technicians.

After Nail Care Technician students complete 350 hours of skills and theory training and pass the written exam given through the State designated testing service, and skills certification they are eligible for licensure from the Minnesota Board of Cosmetologist Examiners. Nail technicians work in beauty salons, nail salons and spas.

Program Outcomes

1. Graduates will be prepared to perform natural nail services including manicuring and pedicuring.
2. Graduates will be prepared to perform the application and removal of eyelash extensions.
3. Graduates will be prepared to perform touch-up eyelash extensions applications.
4. Graduates will have knowledge of decontamination and sanitation procedures used for the protection of the client and the operator.
5. Graduates will be prepared to perform artificial services including tips, acrylic and free-forms.
