Program Requirements Guide 2019-2020

Practical Nursing DIPLOMA

Program Overview
Under the supervision of registered nurses and physicians, licensed practical nurses provide bedside care, monitor patients, gather information, evaluate patient needs and contribute to the patient’s care. Licensed practical nurses administer medications and perform treatments. Licensed practical nurses utilize observation, critical thinking, decision-making and communication skills in caring for patients.

The Practical Nursing Diploma is designed to meet the requirements to become licensed as a Practical Nurse.

Career Opportunities
Employment of LPNs is expected to increase faster than the average for all occupations. The best opportunities will occur in nursing care facilities and home health care services. This is in response to the long-term care needs of an increasing elderly population.

Graduates may be employed in long-term care centers, clinics, home care agencies, hospice, hospitals and transitional care units. Upon completion of the program, the graduate will be prepared to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN).

Licensing or certification exams are independent of graduation requirements.

Program Outcomes
1. The graduate will participate in the nursing process of assessment, planning, implementation and evaluation to provide basic safe and effective nursing care to patients.
2. The graduate will communicate effectively with patients, families, significant others and health care personnel.
3. The graduate will meet the student learning outcomes of the Nursing program.
4. The graduate will be prepared to take the NCLEX-PN licensure exam.
5. The graduate will be prepared for job placement in nursing care.

Application Process
Prior to submitting the Application to Practical Nursing Major form, an applicant must:
1. Complete the ACCUPLACER assessment and meet Minimum Program Entry Requirements (see below).
2. Complete all pre-requisites prior to PRNS courses with a cumulative GPA of 2.75 or higher and a minimum “C” grade in each course. Final acceptance/enrollment in the program is conditional upon successful completion.
3. Complete all college level courses with a GPA of 2.0 or higher.
4. Submit official transcripts from ALL colleges attended outside of Saint Paul College (if applicable).
5. Complete the Test of Essential Academic Skills (TEAS VI) with a score of 50 or higher.
6. Complete the Test of Essential Academic Skills (TEAS VI) with a score of 50 or higher.
7. Submit a record of the required immunizations prior to the semester in which the student registers for clinical courses.
8. Final acceptance/enrollment in the program is conditional upon successful completion of all pre-requisites and good academic standing.
9. If accepted, attend the required Practical Nursing Seminar, which includes an overview of admissions requirements program expectations, and a schedule of classes/clinical.

The nursing admissions committee will review each application and determine admission on the basis of overall academic performance, including all previous college course work, GPA, ACCUPLACER assessment scores and Test of Essential Academic Skills (TEAS VI) scores. Notification of acceptance into the Practical Nursing major will be sent approximately 2-3 weeks after the admissions committee has met.

Required CPR course
Students are required to successfully complete a cardiopulmonary resuscitation (CPR) course prior to registering for PRNS 1481 Clinical 1.

At Saint Paul College, HLTH 1432 Basic Life Support for Healthcare Providers (BLS) 1 credit fulfills this requirement.

Fall Start
Students beginning in the Fall have the option of enrolling in day or evening PRNS classes. Clinical experiences are subject to clinical site availability and may be scheduled for day and/or evenings.

Spring Start
Students beginning in the Spring are scheduled for day and night PRNS theory classes. Clinical experiences are subject to clinical site availability and may be scheduled for day and/or evenings.

See back of this guide for Program Requirements, and Course Sequence

Minimum Program Entry Requirements
Students entering this program must meet the following minimum program entry requirements:

Reading: Score of 78+ or grade of “C” or better in READ 0722
Writing: Score of 78+ on Reading Comprehension or grade of “C” or better in ENGL 0922
Arithmetic: Score of 52+ or grade of “C” or better in MATH 0745

Assessment Results and Prerequisites:
Students admitted into Saint Paul College programs may need to complete additional courses based on ACCUPLACER assessment results and course prerequisite requirements. Certain MATH, READ, and ENGL courses have additional prerequisites.

This program is accredited by the Accreditation Commission for Education in Nursing (ACEN):
