

Summer Bridge Academy

Saint Paul College is hosting the Summer Bridge Academy during the Summer Term that is designed to provide eligible students with an opportunity to advance to higher levels of reading, writing, and math indicated by assessment results, High School GPA, or ACT, SAT, MCA, etc.

- Advisors assist students in selecting the appropriate course based on multiple measures of academic placement.
- Students will complete their course(s), learning key skills and strategies during the session. After completion, students will complete a postassessment.
- Based on their assessments, the work and effort demonstrated in the course, and faculty feedback, students are placed into the next appropriate course.

Summer Bridge Academy

Advisors provide eligible students with access to register for the courses.

Summer Bridge Academy – MATH
Level 1 Math T/TH 10:00am – 12:00pm Room 4220
June 24 – July 17 – Ba Su

Eligibility

Level 1 pre-college

Math ACCUPLACER
Arithmetic Score of
52-120

NGA Arithmetic of
250-300

or provide ACT/SAT
scores within the past
5 years

Summer Bridge Academy - MATH

This 16-hour summer class will help students prepare to participate successfully in College-level courses at Saint Paul College. Participants will review and practice a range of mathematical skills, including manipulating and factoring algebraic expressions, graphing linear equations, solving equations involving first and second degree polynomials as well as rational and radical expressions, and understanding the properties of a function. In addition, students will learn study strategies, computer skills, and identify academic resources at the College. At the end of the course, participants will complete a post assessment, which, along with the instructor's recommendations, will determine their Fall Semester math course placements.

June 24 – July 17 Delivery On-Campus
