Overview

<i>Overall Estimated Cost</i> <i>Including:</i> <i>-Tuition</i> <i>- Course fees</i> <i>- Kits/materials</i>	\$19,872.55
<i>Important Things to Know</i>	● Financial Aid grant money (free money) may not cover the full cost of the semester. Please check your award with our Financial Aid department. ● Kits are included in the course fees and will be ordered for you. You WILL need to order the book used for the first classes (CHSN 1698 & 1699). ● Hands-on classes usually fill and are not held for students. Register early. ○ Once in-person classes fill a waitlist will be started. ● Pay attention to the DATES of the classes. You are not taking them all at once. ● General education courses can be spread out and are more flexible. Hands-on classes will need to be clustered.

Estimated Costs*
